CAMPAIGN: A LIVING WAGE FOR ALL

Advocate for municipal and state legislation that builds the base for a living wage for everyone.

A living wage is what it takes for a family to meet basic living needs.

Minimum wage or even \$15/hr cannot support a family of four.

Cuts to social programs mean rising costs, like student debt, health care and housing, undermining a living wage.

Paid family and medical leave is essential to guaranteeing all workers a living wage.

Workers of color are more likely to be paid poverty wages than white workers.
