LEADERSHIP FOR “SUCH A TIME AS THIS”

What time is this?

___________________________________________________________________________________________

What is happening around you—in your own community, country, or the world— that concerns you?

___________________________________________________________________________________________

___________________________________________________________________________________________

___________________________________________________________________________________________

___________________________________________________________________________________________

Where do you have opportunities to lead?

___________________________________________________________________________________________

___________________________________________________________________________________________

___________________________________________________________________________________________

___________________________________________________________________________________________

Lord, in Your mercy, hear our prayer.
